## 1. Introduction

This Cookie Policy explains how **WORKS TECH CAPITAL INTERNATIONAL L.L.C.** (“WORKS”, “we”, “us”, or “our”) uses cookies and similar storage, access, and tracking technologies when you visit or interact with our website.

This Policy should be read together with our **Privacy Policy**, which explains how WORKS collects, uses, stores, shares, and protects personal information more generally.

Cookies and similar technologies may be used to support the operation, security, functionality, and performance of our website and, where enabled, to support preferences, analytics, communications, integrations, or other optional digital features.

Where applicable law requires consent for the use of non-essential cookies or similar technologies, WORKS will seek to obtain the appropriate consent before such technologies are activated.

## 2. What Are Cookies?

Cookies are small text files or similar data elements that may be stored on your computer, mobile device, tablet, browser, or other equipment when you visit or use a website.

Cookies may help a website to:

- recognize a device or browser;
- remember user preferences or settings;
- maintain website functionality and session continuity;
- support security and fraud-prevention measures;
- understand how visitors interact with the website;
- improve website performance, usability, and digital services; and
- support certain technical, analytical, or optional features.

Cookies may operate only for the duration of a browsing session or may remain on a device for a defined period, depending on their purpose and configuration.

## 3. Similar Technologies

In addition to cookies, our website and related digital services may use other technologies that store information on, access information from, or interact with a user’s device or browser.

These may include, where applicable:

- browser or local storage;
- tracking pixels or web beacons;
- tags, scripts, and embedded code;
- device or browser identifiers;
- embedded technologies and integrations; and
- other similar storage, access, measurement, or tracking technologies.

For the purposes of this Policy, references to “cookies” may also include these similar technologies where appropriate.

The use of such technologies will be subject to the same general principles described in this Policy, including applicable consent, privacy, security, and transparency requirements.

## 4. Types of Cookies We May Use

Depending on the configuration and functionality of our website, **WORKS TECH CAPITAL INTERNATIONAL L.L.C.** may use the following categories of cookies and similar technologies:

### Strictly Necessary Cookies

These cookies are required for the website to operate properly or to provide functionality specifically requested by the user.

They may support functions such as:

- website security;
- session management;
- load balancing;
- fraud, misuse, or abuse prevention;
- consent preference management; and
- other essential technical operations.

Strictly necessary cookies may generally be used without consent where permitted by applicable law.

### Functional Cookies

Functional cookies may help the website remember user choices or preferences in order to provide enhanced or more convenient functionality.

These may include:

- language preferences;

- display preferences;
- saved settings; and
- other user-selected options.

Where consent is required by applicable law, such cookies will not be activated before the appropriate consent has been obtained.

## **Analytics & Performance Cookies**

Where enabled, analytics and performance cookies may help us understand how visitors use the website and how the website performs.

They may provide information relating to:

- pages visited;
- navigation patterns;
- website performance;
- referral sources;
- general usage statistics; and
- interactions with website features.

This information may be used to assess and improve the website's functionality, content, usability, and performance.

Where consent is required, these technologies will be activated only after the appropriate consent has been obtained.

## **Marketing & Advertising Cookies**

Where WORKS uses marketing, advertising, remarketing, or campaign-measurement technologies, these may be used to:

- understand interaction with marketing campaigns;
- measure campaign effectiveness;
- support relevant marketing communications; and
- enable advertising-related functionality provided by third-party platforms.

WORKS will not activate non-essential marketing or advertising cookies before obtaining any consent required by applicable law.

## 5. First-Party & Third-Party Cookies

Cookies used on our website may be set either directly by **WORKS TECH CAPITAL INTERNATIONAL L.L.C.** or by third-party service providers whose technologies or services are integrated with the website.

### First-Party Cookies

First-party cookies are set directly by the WORKS website and may be used to support:

- website operation and functionality;
- security and session management;
- user preferences and settings;
- consent management; and
- other technical or administrative website functions.

### Third-Party Cookies

Certain website features may rely on services provided by third parties.

These providers may place or access cookies or similar technologies in connection with services such as:

- website analytics;
- embedded media;
- maps and location services;
- communication or messaging tools;
- security and anti-abuse services;
- social media features;
- payment or transaction-related functionality;
- content delivery; and
- other external digital services.

The use of third-party cookies and similar technologies may also be subject to the privacy policies, cookie practices, and terms of the relevant third-party provider.

Where required by applicable law, non-essential third-party cookies will not be activated before the appropriate consent has been obtained.

## 6. Cookie Consent

Where required by applicable law, **WORKS TECH CAPITAL INTERNATIONAL L.L.C.** will request consent before placing or accessing cookies or similar technologies that are not strictly necessary for the operation, security, or essential functionality of the website.

The consent mechanism may allow users to:

- accept optional cookies;
- reject optional cookies;
- select or manage specific cookie categories; and
- review or change previously selected preferences.

Where valid consent is legally required, consent will be obtained through a clear affirmative action and will not be inferred solely from continued browsing or use of the website.

Users may withdraw or modify their consent for optional cookies at any time through the available cookie preference settings, where provided.

Strictly necessary cookies and similar essential technologies may continue to operate where permitted by applicable law and where required to provide the website or a service specifically requested by the user.

## 7. Managing Your Cookie Preferences

Where a cookie preference or consent management tool is available on the **WORKS TECH CAPITAL INTERNATIONAL L.L.C.** website, you may use it to review, accept, reject, or change your cookie preferences.

You may also manage cookies through your browser or device settings. Depending on the browser or device, you may be able to:

- view stored cookies;
- delete cookies;
- block some or all cookies;
- restrict third-party cookies;
- manage site-specific permissions; and
- configure notifications or other cookie-related settings.

Disabling or blocking certain cookies may affect the availability, functionality, performance, or user experience of some website features.

Strictly necessary cookies and similar essential technologies may continue to operate where required for the website to function, to maintain security, or to provide a service specifically requested by the user.

Changes made through browser or device settings may apply independently of the cookie preference tools provided on the WORKS website.

## 8. Cookie Duration

Cookies used on the **WORKS TECH CAPITAL INTERNATIONAL L.L.C.** website may remain active for different periods depending on their purpose, configuration, and the service or provider responsible for them.

Cookies may generally be categorized as:

### Session Cookies

These cookies normally remain active only for the duration of a browsing session and are generally deleted or expire when the browser is closed.

### Persistent Cookies

These cookies may remain on a user's device for a specified period or until they are manually deleted, depending on their purpose and configuration.

The duration of individual cookies may vary according to their function, category, technical requirements, and whether they are provided by WORKS or by a third party.

Where relevant, more specific information about cookie duration may be provided through the website's cookie preference tool, consent mechanism, or cookie information table.

## 9. Specific Cookies Used on the Website

The specific cookies and similar technologies used on the **WORKS TECH CAPITAL INTERNATIONAL L.L.C.** website may change over time as the website, its functionality, integrations, service providers, and technical configuration develop.

Where appropriate, WORKS may maintain or provide an up-to-date cookie list, consent-management record, or similar notice identifying information such as:

- the name of the cookie or technology;
- the provider;

- its purpose;
- its category;
- its duration;
- whether it is a first-party or third-party technology; and
- whether consent is required before activation.

Any detailed cookie list should reflect the website's actual technical configuration and may be updated when cookies, technologies, integrations, or providers change.

Where a cookie preference or consent-management tool is available, that tool may provide the most current information about the cookies and similar technologies active on the website.

## 10. Website Analytics

Where analytics services are enabled on the **WORKS TECH CAPITAL INTERNATIONAL L.L.C.** website, WORKS may use them to understand general website usage, visitor interactions, technical performance, and the effectiveness of website content and digital features.

Depending on the analytics service used, information collected may include:

- device and browser information;
- pages viewed;
- navigation and interaction patterns;
- referral sources;
- approximate location derived from technical information;
- general usage statistics; and
- interactions with website features.

WORKS may use this information to evaluate and improve website functionality, performance, content, usability, security, and user experience.

Where analytics technologies require consent under applicable law, they will not be activated until the appropriate consent has been obtained.

Analytics providers may process information in accordance with their own terms, privacy notices, and technical practices where they act independently or provide services to WORKS.

## 11. Embedded & External Content

The **WORKS TECH CAPITAL INTERNATIONAL L.L.C.** website may include, display, or link to content, tools, or functionality provided by third parties.

These may include, where applicable:

- videos or other embedded media;
- maps and location services;
- social media content;
- messaging or communication tools;
- external forms or platforms;
- payment or transaction-related tools;
- widgets, plugins, or other embedded digital services; and
- other external resources or integrations.

Third-party providers may use their own cookies or similar technologies when their content, tools, or services are loaded or used.

Where required by applicable law, WORKS will seek to manage non-essential embedded technologies in accordance with applicable consent requirements.

Users should review the privacy, cookie, and usage terms of the relevant third-party providers before interacting with or providing information through those services.

## 12.Social Media & Communication Platforms

**WORKS TECH CAPITAL INTERNATIONAL L.L.C.** may provide links to, integrations with, or access through external social media, messaging, communication, or professional networking platforms.

These may include, where applicable, social networks, messaging applications, video communication services, professional platforms, and other third-party communication channels.

When you choose to interact with WORKS through a third-party platform, the relevant provider may independently collect, store, access, or otherwise process information in accordance with its own privacy notices, cookie practices, terms, and technical settings.

WORKS does not control the cookies, tracking technologies, data collection, or independent processing activities used by third-party platforms outside the WORKS website.

Users should review the applicable privacy, cookie, and platform terms before providing personal or business information through those services.

## 13. Cookies & Personal Information

Some cookies and similar technologies used on the **WORKS TECH CAPITAL INTERNATIONAL L.L.C.** website may involve the collection or processing of information that may constitute personal information under applicable law.

Where this occurs, WORKS will handle the relevant information in accordance with its **Privacy Policy**, applicable privacy and data protection requirements, and the principles set out in this Cookie Policy.

Depending on the technology used, information processed through cookies may include device identifiers, IP address, browser or device information, usage data, interaction data, preferences, and other technical or behavioral information.

The legal requirements governing personal information and the rules governing cookies or similar technologies may not always be identical. Where both apply, WORKS will seek to comply with the relevant requirements applicable to each type of processing.

Where consent is required for the use of a particular cookie or technology, WORKS will seek to obtain the appropriate consent before activation.

## 14. Security & Essential Technologies

Certain cookies and similar technologies may be used by **WORKS TECH CAPITAL INTERNATIONAL L.L.C.** to support the security, integrity, reliability, and essential operation of the website and related digital services.

These technologies may be used for purposes such as:

- protecting the website against misuse, fraud, unauthorized access, or malicious activity;
- maintaining session integrity and technical stability;
- supporting authentication or access-control functions, where applicable;
- managing traffic, load balancing, or system performance;
- detecting technical errors, security events, or unusual activity; and
- enabling other essential functions necessary for the operation or protection of the website.

Where such cookies or technologies are strictly necessary to provide a service requested by the user or to maintain the essential security and operation of the website, separate consent may not be required where permitted by applicable law.

WORKS will seek to limit the use of essential technologies to purposes reasonably necessary for their technical, operational, or security function.

## 15.Changes to Cookie Preferences

You may change or withdraw your consent for optional cookies at any time through the cookie preference or consent-management tools made available on the **WORKS TECH CAPITAL INTERNATIONAL L.L.C.** website, where such tools are provided.

Changing or withdrawing consent will apply to future use of the relevant optional cookies or similar technologies and will not affect the lawfulness of any processing carried out before the change or withdrawal.

You may also manage or delete cookies through your browser or device settings, although those settings may operate independently from the preferences selected through the WORKS website.

Where the website's use of cookies or similar technologies changes materially, WORKS may request renewed consent or invite users to review their preferences where required by applicable law.

Strictly necessary cookies and essential technologies may continue to operate where required for the website's security, core functionality, or a service specifically requested by the user.

## 16.Changes to this Cookie Policy

**WORKS TECH CAPITAL INTERNATIONAL L.L.C.** may update this Cookie Policy from time to time to reflect changes in its website, technologies, service providers, integrations, legal or regulatory requirements, or privacy and digital practices.

The latest version of this Policy will be published on the WORKS website and identified by the applicable **Last Updated** date.

Any changes will apply from the date they are published or from any later effective date expressly stated.

Where a material change affects the use of cookies or similar technologies, WORKS may provide additional notice, request renewed consent, or invite users to review their cookie preferences where required by applicable law.

## 17.Languages & Governing Version

This Cookie Policy is published in English as the official and governing reference version of **WORKS TECH CAPITAL INTERNATIONAL L.L.C.**

An Arabic version, and any other translations that may be made available, are provided for convenience, accessibility, and communication purposes.

In the event of any inconsistency, ambiguity, or difference of interpretation between the English version and any translation, the English version shall prevail, unless otherwise required by applicable law or expressly agreed in writing.

Where any cookie notice, consent text, preference interface, privacy notice, or related digital information is made available in more than one language, the governing language shall be determined by the relevant notice, interface, policy, agreement, or applicable legal requirement.
